The mission of University Recreation is to inspire a culture of wellness by providing quality, innovative and inclusive collegiate recreation programs, services and facilities that promote healthy, active lifestyles to enhance student success.

University Recreation commits to foster a learning environment for our student employees that cultivate the skills of ethical reasoning, critical thinking, teamwork, initiative and professionalism. Programs and facilities are student run with professional coaching. The goal is to help develop student’s transferable skills and create a supportive and challenging environment for them to succeed in and out of the classroom.

University Recreation is seeking enthusiastic students to prescribe safe and effective fitness workouts.
