The mission of University Recreation is to provide quality, innovative and inclusive collegiate recreation programs, services and facilities that inspire healthy, active lifestyles with a commitment to excellence, learning and student success.

University Recreation commits to foster a learning environment for our student employees that cultivate the skills of ethical reasoning, critical thinking, teamwork, initiative and professionalism. Programs and facilities are student run with professional coaching. The goal is to help develop students’ transferable skills and create a supportive and challenging environment for them to succeed in and out of the classroom.

University Recreation is seeking enthusiastic students to lead the Fitness program by assisting in the development of the Group Fitness, Personal Training and/or Strength and Conditioning programs and student teams.

**Responsibilities**

- Assist in teaching ACE Group Fitness Instructor Training and/or Personal Trainer Certification Courses
- Plan and execute new programs and special events
- Organize and administer the group fitness mentoring program and/or the training program for personal trainers
- Provide continuing education to the fitness team through new and innovative exercise trends
- Document participation numbers for group fitness classes, outreach programs, personal training and strength and conditioning areas
- Track exercise equipment inventory at the beginning and end of each semester
- Clean and maintain exercise equipment monthly
- Understand and enforce University Recreation and area specific policies and guidelines
- Knowledge and implementation of Emergency Action Plan
- Teach a minimum of 1 group fitness class and/or train 1 personal training client each semester
- Design and facilitate required trainings
- Develop professional relationships with co-workers, participants and guests
- Hire, train, evaluate and supervise area team
- Create staff schedules
- Utilize software and databases including RecTrac, EMS, WhenToWork and MicroFit Fitness Assessment Software
- Uphold and exceed the expectations of University Recreation: ethical reasoning, critical thinking, teamwork, initiative and professionalism
- Assist as needed in all required departmental functions

**Department Required Skills**

- Demonstrated ability to lead and supervise a team
- Effective interpersonal communication skills and presentation skills
- Commitment to customer service
- Demonstrate integrity, ethics and commitment to diversity and inclusion
- Maintain clean, appropriate and professional attire
- Commitment to promoting healthy, active lifestyles
- Encouraged to participate in student professional development opportunities
