Project Goals

The Carmichael Addition & Renovation project will shape the future of wellness and wellbeing on campus by unifying, celebrating, and inspiring active lifestyles of NC State students, faculty, and staff.

The success of the project begins with a clear primary entry that is inviting and inspiring. It must strive to unify the fitness space, increase visual access to destinations, and amplify street presence. The solution must be accessible, sensible, smart, sensitive to student fees and attentive to student safety.
Construction

• Timeline
  – Start: May 15, 2018
  – Completion: Fall 2020

• Safety is PRIORITY
• Minimize impact on Carmichael users
• Traffic and Parking
